

#

I want my house floor to be light colored

AC:

- + The floor tint is light
- + It is not grey
- + The same color and material is used for kitchen and dining room

Room preparation

#

I want my house walls to nicely fit with the color of the floor

AC:

- + Chromatic 'agreement' with the floor
- + The kitchen separation wall is painted white
- + Same colors, but potentially different materials, are used for the two rooms

Room preparation

#

I want the house doors to be wooden-colored

AC:

- + The doors must look wooden-colored
- + The door material can be wood or something else
- + The door knobs must be of the same (light) color
- + All doors are 1200mm wide, 2100mm high

Room preparation

#

I want a bright environment

AC:

- + The house captures sufficient light in mornings and afternoons
- + The total window surface should not be too much (cleaning reasons): max 10 square meters

Room preparation

#

House air must be fresh

AC:

- + At least 3 windows per room are present
- + If a kitchen is planned, an air extractor must be placed

Room preparation

#

I want to have breakfast with the family

The daily ritual of breakfast is sacred!

AC:

- + The table and fixed chairs must accomodate my family
- + Foldable chairs for a maximum of 8 people around the table should be available

Prepare meals

#

I want to be able to cook for many friends

I frequently have dinner with friends, which implies having to cook for numerous people.

AC:

- + There is a cooker
- + There is enough storage space for all the needed pottery

Prepare meals

#

I want to avoid hand-cleaning my things

I frequently have dinner with friends, and I don't want to hand clean all the dishes

AC:

- + A solution that does not reduce too much the available space in the kitchen

Prepare meals

#

I want to have dinners with colleagues and friends

I like to invite colleagues and supervisors for dinner. I'd like my living room to be suitable for such occasions.

AC:

- + Can accomodate up to 8 people
- + It looks elegant

Social dinners

#

I want to avoid going back and forth to serve food

It is much more comfortable having a table or something where to put food to be served, without needing to go back and forth.

AC:

- + I have a place where to put food while serving it

Social dinners

#

I want a cosy and relaxed atmosphere

AC:

- + There are some plants in the room
- + There is at least 4 plants for each of the following types: floor, table, hanging

Social dinners

#

Food storage

AC:

- + There are two separate spaces for freezer and fridge
- + Both leave at least 1m from ceiling
- + They cannot be visible

Utilities

#

I want a place where to keep towels in my kitchen

AC:

- + It is not visible to guests
- + The color is not black

Utilities

#

I want my washing machine to be placed in the kitchen

As I have a small bathroom, I have to keep the washing machine in the kitchen.

AC:

- + It is not visible to guests
- + The washing machine is 800mm wide, 700mm deep

Utilities

#

I want something for waste sorting

AC:

- + It is not visible to guests
- + The front panel is wooden-colored

Utilities
